

## Learning Opportunities

**Farms at Work offers a wide variety of learning opportunities for farmers throughout the year.**

### [Workshops](#) [1]:

- Usually day-long, intensive, skill-based activities

### **Farm Tours:**

- Usually half-day on-farm events highlighting different aspects of successful farm management

### **Business Planning Courses:**

- Usually multi-day seminars that help new farmers explore the business of farming and plan for the future

### [Field Courses](#) [2]:

- Programs that help to establish and build relationships between new/restrategizing farmers and more experienced farmers in their field of interest.

### **On-Farm Learning Opportunities:**

- Working or becoming an intern on a farm can provide you with hands-on skills and an opportunity to see the day-to-day operations of a farm business. To find an on-farm learning opportunity, visit our [Jobs and Internships](#) [3] page.

For upcoming events across the region, head to our [Community Calendar](#) [4]

[Subscribe to our e-newsletter](#) [5] to stay informed about all of our upcoming events.
