FAW Mentees Attend Maple Syrup Info Day!

Participants in Farms at Work's [Maple Syrup Production Mentorship Program](#) [1] attended the Ontario Maple Syrup Producers' Association's annual info day last Thursday! The association invited all local producers to Campbellford to learn about current topics in maple syrup production and to meet other producers in the region.

Register for one of our mentorship programs to participate in unique learning opportunities like this, and to gain practical skills in your area of interest! Click [here](#) [2] for more information.
