An OMAF introduction to Cost of Production Budgeting – how to prepare, use and interpret COP's

[Guide to Cost of Production Budgeting – OMAFRA Factsheet 08-055](#) [2]

Farm Management Canada

FMC has prepared an guide to farm financial records, no matter what type of crop or livestock enterprise you operate.

Farm Financial Records: A Guide to Managing For

Success: <https://fmc-gac.com/publications/farm-financial-records-guide-managing-success/> [3]

The CSA Benchmark Project

How Well is My Operation REALLY Doing?

This webinar (brought to you by the National Good Food Network) illustrates what you need to measure (the key evaluation factors), what expectations can be set from comparison to best practices (benchmarking), and what management strategies can help move financial performance to a higher level (implementation of leading edge practices). The data will help CSA farmers identify where they can improve business practices to increase profitability.
